MESSAGE:

In accordance with our telephone conversation of today, we are forwarding the signed Declaration and Power of Attorney filed with the Application on October 30, 2003. We are also enclosing a page off of the PAIR System wherein we note that the first word in the title is spelled incorrectly. It should be HYBRID. It is also noted on the last page of the Declaration that the first name of the inventor is typed incorrectly. His name is PETER. Thank you for your assistance with respect to this matter. If it is possible to fax the Official Filing Receipt, it would be appreciated. If not, we will await receipt by way of the US Postal Service. Once again, thank you for your help.
